LET US BE THANKFUL

Let us be thankful every moment for God's forbearance with our tardy, unbelieving movements. Instead of flattering ourselves with the thought of what we have done, after doing so little, we are to labor still more earnestly. We are not to cease our efforts or relax our vigilance. Never is our zeal to grow less. Our spiritual life must be daily revived by the stream that makes glad the city of our God. We must be always on the watch for opportunities to use for God the talents He has given us. —Testimonies for the Church, vol. 8, p. 27
